

## On The Watch

For novelties, we are never "behind time," keeping a careful "minute" of everything our customers are

Likely to want, we stand "second" to none. Energetic endeavor is the "main spring" of our success. Our "hands" are always busy preparing attractive novelties and our "face" is always smiling over good business. Our promises are always "18 karat" and our establishment in the best of "running order." The motto THE BEST fits our "case" exactly.

### The Concert.

The grand concert given by Misses Anita Muldoon, Currie Duke and Addie Bishop, of Louisville, drew a large and select audience to the Opera House Thursday evening. Each of the young ladies is a star and everyone present went away delighted with the entertainment. Miss Muldoon was in fine voice and her singing charmed the audience; Miss Duke draws and exceedingly graceful bow and made exquisite melody on the violin, while Miss Bishop's performance on the piano was superb. The audience was so carried away with the music that each young lady was roundly applauded and their hearers insisted upon an encore after each appearance.

### A Small Fire.

Mr. Lee A. Owen's wood house, at Jett's Station, was burned Tuesday night. It was certainly the work of an incendiary, as there was no way for it to have caught fire, being some little distance from his dwelling and there had been no light or fire about it for some time. It seems that some scoundrel has a spite at Mr. Owen and is trying to burn him out. Several years ago his residence was burned, about a year ago his stable was also destroyed by fire, and now his outhouse. Mr. Owen is away from home, being in Washington City, and only his wife and servants were on the place. The loss on the building is about fifty dollars.

### Leg Amputated.

Mr. Bennett Gordon, of this county, who was a soldier during the late war, had his leg injured by a piece of shell in battle and has since suffered great pain from the injury. The bone and flesh of the leg as high as the knee had become so much affected that his family physician advised him a few weeks ago to have the limb amputated. Being too old to attempt the operation himself, the doctor sent Mr. Gordon to Dr. O. H. Reynolds, of this city, who, assisted by Drs. Geo. W. Chinn and Duvall, performed the operation successfully on Wednesday, taking the leg off just above the knee, and the patient is getting along nicely, with every probability of his getting out again in a short time.

A. M. Bailey, a well known citizen of Eugene, Oregon, says his wife has for years been troubled with chronic diarrhoea and used many remedies with little relief until she tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which has cured her sound and well. Give it a trial and you will be surprised at the prompt relief it affords. 25 and 50 cent bottles for sale by PHIL. CARPENTER, South Side Druggist.
